John 15:1,5

“Abiding in Christ is not an occasional or casual act; it is a constant, conscious, and sacred choice. It is allowing His holy teachings to abide in us, elevating our thoughts and governing our words in every setting—including the digital spaces where we so often interact—and purifying and consecrating our actions unto Him. It is letting our daily choices be guided by the covenants we have made with Him and allowing our lives to be directed by His loving and constant influence through the Holy Ghost. It is choosing to listen to His voice and the voice of His servants and following what they teach, above all the enticing voices of the world.

Abiding in Christ does not remove the burdens of life, but through His grace they are made lighter, and our hearts are strengthened by the comfort and peace He promises. As we place ourselves in His loving care and take upon us His yoke, we receive the spiritual power to endure and overcome the trials, weaknesses, and sorrows of mortality...”
