

Springwater 7th Ward

January 11, 2026

“Primary songs can become a child’s first spiritual language because their simple, memorable melodies give voice to gospel truths. These songs hold the power to stay with children for a lifetime, becoming part of their discipleship and a natural and normal way for them to testify of the Savior.”

“Primary music can be a miracle carried along the lifelong arc of discipleship that our children will travel.”

“Sacred music can help write the doctrine of Christ into the soul and prepare us to receive His ordinances. It links the Savior’s doctrine to our memory and that memory to our discipleship in Him.”

President Jeffrey R. Holland
(1940-2025)

"Please permit me to say one thing to those grandchildren of Jeffrey R Holland and Patricia Terry Holland and by extension to every member of this church. While this is a sad day...there is only one thing that could make this day truly sad...and that would be for us to turn our backs on the gospel of Jesus Christ ...The only way we could break their hearts is to abandon the source of truth and light... Now is the time for each of us to pick up their baton and carry on the fire of faith..." Mary Alice Holland McCann at funeral service
