“Persons who seek to reduce human suffering and persons who work to promote understanding among different peoples are ... important workers for peace.

“Our missionaries seek to be peacemakers. They preach repentance from personal corruption, greed, and oppression because only by individual reformation can an entire society eventually rise above such evils. By inviting all to repent and come unto Christ, our missionaries are working for peace by helping individual men and women come unto Christ and experience “a mighty change” of heart and behavior (Mosiah 5:2).”

“My brothers and sisters, as followers of Christ, let us follow Him by forgoing contention and by using the language and methods of peacemakers. In our families and other personal relationships, let us avoid what is harsh and hateful. Let us seek to be holy, like our Savior...”

President Dallin H Oaks, “*Alive in Christ*” April 2026
