The Sermon on the Mount “set an elevated standard of righteousness and discipleship. In this sermon, the Savior taught the difference between being a believer or follower and being a disciple. He shifted our focus from goodness to godliness. A believer or follower might walk a mile, but a disciple of Jesus Christ goes the second mile. In the first mile, believers in Christ repent to change their behavior. In the second mile, repentance changes our heart, our very nature. In the first mile, individuals strive to keep the great commandment to ‘love thy neighbour as thyself, but in the second mile, they strive to keep what Jesus called a new commandment . . . , that ye love one another; as I have loved you.’ In the first mile, individuals might obey God’s commandments out of duty, focusing on outward appearance. In the second mile, we obey God out of love, with a pure heart and real intent. Blessings come in the first mile, but miracles happen in the second mile.”
